

WELSH SPRINGER SPANIEL CLUB 50<sup>TH</sup> ANNIVERSARY CHAMP SHOW

Saturday 17<sup>th</sup> July 2021

As the two judges could not agree on a RBIS I was called in as Referee.

**Knowle's Menstonia Minstrel J.W.** The R.B.D. had a beautiful well balanced head with a good eye and nice expression, strong neck and correct topline and tail set. Compact with a well ribbed body, good coupling and well boned legs, strong well muscled quarters and good bend of stifle, he looks capable of a good days work. Moved with drive and enthusiasm even in the searing temperature. A lovely boy who I am sure will gain his title. I was pleased to be able to award him RBIS.

**Woodward's Hinxwood Fire And Ice** The B.B. has a balanced head, good strong neck, correct topline and tail set. Deep brisket and well boned legs, good angulation and bend of stifle. Well muscled quarters which she used well on the move, of good type she could be just a touch more feminine in head. Moved well but not with quite the drive of the dog. B.O.S.
