A nicely proportioned head very much a male and with a happy kind expression and good eye colour, lovely temperament. Plenty reach of neck with well laid-back shoulders. Well-boned, good depth of brisket and well-ribbed. Strong over the loin and with plenty of muscle throughout. Good depth of coat. Moved well holding his topline on the move.

2. Graham's Nyliram Let's Twist Again. A well balanced eleven-month-old male with an excellent reach of neck, another lovely example of the breed. Lovely head with a sweet expression. Well ribbed and plenty of bone and muscle throughout. Flowed on the move again holding his topline but preferred the front on number one.

Good bone, deep brisket. Nice short bitch with good strength over the loin. Good tail set. Moved extremely well.
