

The Welsh Springer Spaniel Club

51st Championship Show

4th September 2021

As the two judges could not agree on a BVIS I was called in as Referee.

BVIS

Frost's Sh Ch Bushwacker Something About Mary. A seven year old with so much to like about her, she is well balanced throughout and fits the breed standard well. Nice head and eye, well boned legs and deep well sprung ribs. Good bend of stifle and held her topline well whilst moving with drive. A difficult decision but she just took BVIS by a whisker.

RBVIS

Barkley's Sh Ch Cherryheath's Mr Mischief. Ten years of age and still enjoying showing off in the ring. He has a nice head and a soft kind expression, well balanced with good bone and a well ribbed body. Strong, merry and active is in the breed standard and he certainly is. Although at 10 his coat is a little grey this should not be held against him as it does not detract from his qualities.
