

The Welsh Springer Spaniel Club
Open Show
Special Award Classes
18th February 2023

Class A 6 4 abs
Special Junior

1st FERDEL WATER LILY AR RUBYLEA

Lovely clean outline and body proportions. She is feminine with substance and good bone. Nice head shape and proportions. Dark eye. Excels in neck and shoulder and well angulated front set under with tight elbows. Excellent topline and depth and strong arched loin for age. Correct tail set, could be carried a fraction higher but not the best ring to settle in, Good feet and moved well keeping outline standing and moving

2nd PAMICKS DREAM WITH ME

She has lovely proportions and a clean outline. Loved her head and expression and beautiful feminine chiselled head. Good feet enough depth but still very raw and need to spring a little with maturity. She moved steady and held her topline well. Just preferred the substance on the winner but has lots to like about her and hopefully will fill out and mature into a lovely bitch

Class B 7 0 abs
Special Post Graduate

1st two were excellent typical specimens.

1st HENIVERUCE KING OF THE BREWERS

Lovely clean outline. He appears a fraction long but this is not helped by his markings. He is very well balanced and constructed and is a very honest dog with no exaggeration. Liked his head which is masculine but nicely shaped and proportioned with kind expression with dark eye. Good neck and topline and strong powerful rear used on the move. Kept his outline standing and moving. Good bone and feet

2nd NYLRIAM THE MOTH CATCHER

Lovely outline and proportions standing. Exc neck, topline with correct slight arch over loin and exc tail set and carriage. She is feminine with substance and has good bone. Feet could be a little tighter. Moved very well holding her outline. Just preferred head and expression on 1st but very nice overall balance.

3rd MYMMSBROOK MATADOR WITH BYLTHWAY

Class C
Special Open 13 4 abs

1st ISFRYN LADY GREY OF GILSTONIA

Very nice type honest bitch with no exaggeration. Lovely clean balanced outline with good proportions. Feminine head and nice kind and gentle expression. Good topline. She has a very good front with tight elbows and moves well but could have a little more strength in her rear but the mats made movement difficult to assess. Would like to see her in a big grass ring.

2nd ISFRYN PEEPING TOM

Very similar in outline and balance. He is masc and powerful with no coarseness in his body and well constructed. Excellent topline and powerful mover could just have a little more refinement and detail in his head but nice honest dog. Littler brother to winner. Feet could be a little more compact

3rd SH CH FERDEL HIGH COMMAND AT RUBYLEA

Mark Cocozza
